THANK YOU!

YOUR SUPPORT IN 2015 has allowed us to open the door to deserving women and children in need! On February 25th, we honored eight recent high school graduates with a special ceremony featuring keynote speaker State Senator Dr. Richard Pan, a longtime Saint John's supporter. Grace J., Cornisha H., Michelle N., Heather C., Sheri D., Brianna J., Sarah C. and Sabrina L., all are formerly homeless mothers who were honored for accomplishing real change in their lives, and the lives of their children, through Saint John's. This graduation is the result of your support and we cannot thank you enough.

Saint John's GED Preparatory Program, founded in 2010, is part of the organization's Career Education and Placement Center (CEPC), which also provides career guidance, financial literacy, job readiness, computer literacy and in-house employment training. Since its inception, Saint John's GED Preparatory Program has helped 56 Saint John's clients, ages 17-48, earn their high school diplomas, while the CEPC has helped thousands of women to become self-sustaining.

On February 25, 2016, Saint John's honored eight clients for earning their High School Equivalency or GED certificates. From left to right, the event's honorees included Michelle N., Cornisha H., Brianna J., keynote speaker State Senator Dr. Richard Pan, Grace J., Sarah C., Sabrina L., and Sheri D.
