March at Saint John's News & Updates

Thank you! How LUCKY are we to be surrounded every day with such positive volunteers, donors, staff and clients here at Saint John's! Everyone has been working hard to help pave the way to create real change in the lives of formerly homeless women and children in our community. Thank you so much, from the bottom of our hearts and theirs, for your part in helping support our vision to break the cycle of poverty and dependence one family at a time. ..We are so lucky to have you!

For over ten years, St. John's Lutheran Church in Sacramento has generously provided their beautiful sanctuary to RSVP for concerts, rehearsals, and to record music for RSVP CDs. This year, to say thank you, we've elected to sponsor a charity that is near and dear to the hearts of the members of St. John's and is also at the heart of RSVP's mission.

With your attendance, our spring concerts will provide support and raise awareness for Saint John's Program for Real Change. RSVP's mission is to bring people together through the arts and to give back to the community. We are excited and proud to use the gift of live music to directly support such a worthy organization, and to express our appreciation for the support St. John's Lutheran Church has given to RSVP these many years. We hope you can join us! This performance is for all music preferences to classical, jazz, pop, and gospel! For more information please visit www.rsvpchoir.org or email rsvp@rsvpchoir.org!

Volunteer Spotlight

Maggie is a retired registered surgical nurse who volunteers every Wednesday from 9am-4pm. She has been coming in weekly for a little over a year and we are so lucky to have her! She helps us with administrative data entry, assists the volunteer coordinator with phone calls, filing, organization, inventory at Plates Café, and other fun projects. Along with the rest of our incredible volunteers, we couldn't do what we do without her!

Thank you for all your hard work, Maggie!
