**Local Photographer Brenda Bisharat
Named 2018 Mother of the Year
By Saint John's Program for Real Change**

The award, now in its 12th year, honors community leaders who exemplify the qualities and characteristics women strive to achieve in motherhood as well as in life.

Brenda Bisharat will be presented with the Mother of the Year award at Saint John's 2nd Annual [Polo for Change](#) fundraiser on June 2nd.

A professional photographer, Brenda has dedicated her life to capturing the most important moments in life on film. In 2010, Brenda began capturing these moments for the families at Saint John's Program for Real Change.

"I feel like I am being given a gift to have the opportunity to work with the women and children. To watch them come in and go through the program and see them evolve is so inspirational."
