

Seasons of Love: A Meal-With-A-Meaning

150+ guests feasted on fabulous fare at our first Guest Chef Dinner of 2019! Held at [Plates Café](#) on February 7, this was truly a “meal-with-a-meaning,” as it was lovingly prepared and served by six of our own alumnae, all of whom have gone on to successful, self-sustaining

careers in the restaurant business! In honor of Valentine’s Day and as a way to give back some of the love they received while clients at Saint John’s Program for Real Change, Tammy G., Wendy T., Lucy G., Malaya B., Irais R. and Natalie S. worked side-by-side with current Volunteer Learners of Saint John’s Employment Training Program to show their continued support for the program that created Real Change in their lives.
