The Party

For Saint John's Program for Real Change, our annual Party for Change event is the single largest fundraising opportunity benefitting women and children in our community experiencing homelessness.

This evening soiree, hosted in one of Sacramento's finest exclusive locations at Modern Aviation, features delicious food, great wine and spirits, engaging client testimonials and fabulous musical entertainment!

We invite you to come dressed to impress as we gather in community to lift up the women we serve and celebrate our donors who are committed to transforming lives!

WHY SAINT JOHN'S?

The mission of Saint John's Program for Real Change is to provide a safe space for women and children to heal and develop the skills necessary to transform their lives. Our work is guided by a vision to end the generational cycle of trauma and homelessness.

With the support of community partners and volunteers, Saint John's provides services 24 hours/day, 365 days/year, offering shelter, meals, childcare, and comprehensive support services, including the following: Behavioral Health Services, Hands-on Employment Training, Career Education, and Family Services.

By addressing the root causes of homelessness through an immersive, comprehensive program, Saint John's offers a path to economic prosperity for the most vulnerable members of our community, continuing to demonstrate that Real Change is possible when the women and children we serve receive the support and services necessary to heal and address complex and co-occurring barriers to self-sustainability.
