Hosted by

FIVE STAR BANK

# About Party for Change

**Saint John's Program for Real Change** invites you to be part of an unforgettable evening that directly impacts the lives of women and children in our community experiencing homelessness. Our annual Party for Change gala is the single largest fundraising event benefiting the courageous women and children who turn to Saint John's for hope, healing, and a path to independence.

Set in the exclusive and elegant venue of **Modern Aviation**, this extraordinary soirée promises an evening filled with delectable cuisine, exceptional wine and spirits, heartwarming client testimonials, and show-stopping musical entertainment. Come dressed to impress and join a community of changemakers who are committed to uplifting women and transforming lives. Together, we'll celebrate the profound impact of our donors and supporters while shining a spotlight on the incredible journeys of the women we serve. Be part of this life-changing evening—because every ticket, every sponsorship, and every moment makes a difference.
